

Part No.: 01017
Section support

System :
60mm-System classic

Mechanical Data :
Width x Height x Depth (mm): 20 x 217 x 48
Weight (g): 107
screwed onto busbar support 01 495 or 01 485.

Material Characteristics :
Plastic
temperature withstand up to 120 °C,
fire behaviour to UL 94 V-0,
silicon-free

Remarks :
Used to fasten trough-edge and compartment sections

Accessories to Article 01017 :
01019 end cover

01024 compartment section
closed

01030 compartment section
slotted

01037 trough edge section

01038 trough edge section

Accessories to Article 01017 :

01039 compartment section
closed

01040 compartment section
closed

01041 compartment section
slotted

01042 compartment section
slotted

01043 trough edge section

01044 trough edge section

01048 trough edge section

01053 trough edge section

01485 universal busbar support 4-pole

01495 universal busbar support
